Tentative entry of the naval dirigible balloon C-5 in the transatlantic race dependent upon the success or failure of the flight being attempted by three naval scaplanes, was decided upon today by the Navy Department.

The C-5, flying from the naval air station at Cape May, N. J., under the command of Lieutenant Commander E. W. Coil, arrived searly Friday night at Montauk Point, L. I. It will proceed in a few days to St. John's, N. F., whence its transoceanic cruise will attempted in the event of any mishap to the seaplanes NC-1 and NC-3, at Trepassey, N. Good weather is promised for the parade of the Iron Division Thurs-

The weatherman says Philadelphin will live up to its traditions and provide sunshine with blue sky and a sprinkling of white clouds for the big turnout.

He bases his prediction on the fact that there is a good sized area of clear weather drifting easterly from

the Mississippi river region. If this area continues at its present pace it will arrive Wednesday afternoon and there will be enough of it left over for Thursday.

## CLEAN GOVERNMENT FUND BY HARRISON WILL

"A board of City Trust," which will have at its command probably \$500,000, to be used for the sole purpose of obtaining a clean and official city government, is created by the will of General Thomas Skelton Harrison, who died on May 3. The remarkable document, also provides for scores of charitable institutions, relative, friends and employes. The estate is estimated at more than \$1,000,000 and most of the bequests are made in stocks and bonds.
